13:35-15:05		<i>Creative Art (Abstract Collages Workshop)</i>	
13:35 – 14:45	Art is one way to express hope bottled and preserved when we need it; it reassures us the normality of pain by welcoming the feeling that pain is the part of the human condition. It keeps on reminding us that every good life has extraordinary amounts of confusion, suffering, loneliness and distress within it. Art is frequently something we are drawn to because it compensates us for what we lack, it counterbalances us and makes our lives going. This session is one such way to express arts...	Program Host Shanu Shukla & Ashna Jacob
